Independent Auditor's Report on the Consolidated Annual Accounts

(Translation from the original in Spanish. In the event of discrepancy, the Spanish-language version prevails.)

To the shareholders of Audax Renovables, S.A.

REPORT ON THE CONSOLIDATED ANNUAL ACCOUNTS

Opinion

We have audited the consolidated annual accounts of Audax Renovables, S.A. (the "Parent") and subsidiaries (together the "Group"), which comprise the consolidated balance sheet at 31 December 2024, and the consolidated income statement, consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and consolidated notes.

In our opinion, the accompanying consolidated annual accounts give a true and fair view, in all material respects, of the consolidated equity and consolidated financial position of the Group at 31 December 2024 and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards as adopted by the European Union (IFRS-EU) and other provisions of the financial reporting framework applicable in Spain.

Basis for Opinion

We conducted our audit in accordance with prevailing legislation regulating the audit of accounts in Spain. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Annual Accounts* section of our report.

We are independent of the Group in accordance with the ethical requirements, including those regarding independence, that are relevant to our audit of the consolidated annual accounts pursuant to the legislation regulating the audit of accounts in Spain. We have not provided any non-audit services, nor have any situations or circumstances arisen which, under the aforementioned regulations, have affected the required independence such that this has been compromised.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

(Translation from the original in Spanish. In the event of discrepancy, the Spanish-language version prevails.)

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in the audit of the consolidated annual accounts of the current period. These matters were addressed in the context of our audit of the consolidated annual accounts as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Recoverable amount of non-current property, plant and equipment, goodwill and other intangible assets

See notes 5 and 6 to the consolidated annual accounts

Key audit matter	*How the matter was addressed in our audit*
At 31 December 2024 the Group has capitalised property, plant and equipment, goodwill and other intangible assets totalling Euros 529,728 thousand, allocated to the cash-generating units (CGUs) detailed in note 5 and 6 to the consolidated annual accounts. Under IFRS-EU, the recoverable amount of assets must be estimated when indications of impairment have been identified. Goodwill, intangible assets with indefinite useful lives and in-process intangible assets are not amortised, but are instead tested for impairment at least on an annual basis. The recoverable amount of the assets allocated to the CGUs is generally calculated using methodologies based on discounted cash flows, the estimation of which requires the use of a high degree of judgement by management and the use of assumptions and estimates. At 31 December 2024 the Group has recognised impairment losses on these assets in the consolidated income statement. Due to the high level of judgement required, the uncertainty associated with these estimates and the significance of the amount of the property, plant and equipment, goodwill and other intangible assets, the recoverability thereof has been considered a key audit matter.	Our audit procedures included the following: – Evaluating the design and implementation of the key controls related to the process of estimating the recoverable amount. – Assessing the appropriateness of the composition of the CGUs based on our understanding of how the business is managed. Assessing the methodology and reasonableness of the assumptions used by the Group to estimate the recoverable amount using the discounted cash flow method at cash-generating unit (CGU) level, with the involvement of our valuation specialists. – Comparing the cash flow forecasts estimated in prior years with the actual cash flows obtained. – Evaluating the sensitivity of the recoverable amount to changes in certain assumptions that can be considered reasonable. We also assessed whether the disclosures in the consolidated annual accounts meet the requirements of the financial reporting framework applicable to the Group.

(Translation from the original in Spanish. In the event of discrepancy, the Spanish-language version prevails.)

Recognition of revenue from unbilled energy supplied See notes 10 and 19 to the consolidated annual accounts	
Key audit matter	*How the matter was addressed in our audit*
The Group's businesses that carry out energy supply activities must make estimates of unbilled supplies to end customers in the period between the last meter reading and the end of the reporting period. At 31 December 2024 trade and other receivables include Euros 138,019 thousand in unbilled energy supplied. The amount of unbilled energy supplied is estimated based on internal and external information that is compared with the readings contained in the management systems used by the businesses. Revenue is calculated by multiplying the volume of estimated unbilled consumption, a process that is subject to a high degree of uncertainty, by the tariff agreed for each customer. Determining unbilled energy supplied requires the use of estimates by Group management with the application of criteria, judgements and assumptions in its calculations, so the recognition of revenue from unbilled energy supplied has been considered a key audit matter.	Our audit procedures included the following: - analysing the design and implementation of the key controls related to the calculation of the unbilled energy supplied, - retrospectively analysing of the estimates made at previous years' closes, - assessing the reasonableness of the volume of unbilled energy through an analysis of historical information and other internal and data, - evaluating whether the timing of the recognition is correct based on a selection of transactions after the reporting date. We also assessed whether the disclosures in the consolidated annual accounts meet the requirements of the financial reporting framework applicable to the Group.

Other Information: Consolidated Directors' Report

Other information solely comprises the 2024 consolidated directors' report, the preparation of which is the responsibility of the Parent's Directors and which does not form an integral part of the consolidated annual accounts.

Our audit opinion on the consolidated annual accounts does not encompass the consolidated directors' report. Our responsibility regarding the information contained in the consolidated directors' report is defined in the legislation regulating the audit of accounts, as follows:

a) Determine, solely, whether the consolidated non-financial information statement and certain information included in the Annual Corporate Governance Report and the Annual Report on Directors' Remuneration, as specified in the Spanish Audit Law, have been provided in the manner stipulated in the applicable legislation, and if not, to report on this matter.

b) Report on the consistency of the rest of the information included in the consolidated directors' report with the consolidated annual accounts, based on knowledge of the Group obtained during the audit of the aforementioned annual accounts. Also, assess and report on whether the content and presentation of this part of the consolidated directors' report are in accordance with applicable legislation. If, based on the work we have performed, we conclude that there are material misstatements, we are required to report them.

Based on the work carried out, as described above, we have observed that the information mentioned in section a) above has been provided in the manner stipulated in the applicable legislation, that the rest of the information contained in the consolidated directors' report is consistent with that disclosed in the consolidated annual accounts for 2024, and that the content and presentation of the report are in accordance with applicable legislation.

Directors' and Audit Committee's Responsibility for the Consolidated Annual Accounts

The Parent's Directors are responsible for the preparation of the accompanying consolidated annual accounts in such a way that they give a true and fair view of the consolidated equity, consolidated financial position and consolidated financial performance of the Group in accordance with IFRS-EU and other provisions of the financial reporting framework applicable to the Group in Spain, and for such internal control as they determine is necessary to enable the preparation of consolidated annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated annual accounts, the Parent's Directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Group or to cease operations, or have no realistic alternative but to do so.

The Parent's audit committee is responsible for overseeing the preparation and presentation of the consolidated annual accounts.

Auditor's Responsibilities for the Audit of the Consolidated Annual Accounts

Our objectives are to obtain reasonable assurance about whether the consolidated annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with prevailing legislation regulating the audit of accounts in Spain will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual accounts.

(Translation from the original in Spanish. In the event of discrepancy, the Spanish-language version prevails.)

As part of an audit in accordance with prevailing legislation regulating the audit of accounts in Spain, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated annual accounts, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Parent's Directors.

- Conclude on the appropriateness of the Parent's Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated annual accounts, including the disclosures, and whether the consolidated annual accounts represent the underlying transactions and events in a manner that achieves a true and fair view.

- Plan and execute the audit of the Group to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units of the Group as the basis to form an opinion on the consolidated annual accounts. We are responsible for the direction, supervision and review of the work performed for the Group audit. We remain solely responsible for our audit opinion.

We communicate with the audit committee of the Parent regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

(Translation from the original in Spanish. In the event of discrepancy, the Spanish-language version prevails.)

We also provide the Parent's audit committee with a statement that we have complied with the ethical requirements regarding independence, and to communicate with them all matters that may reasonably be thought to bear on our independence, and where applicable, safeguarding measures adopted to eliminate or reduce the threat.

From the matters communicated to the audit committee of the Parent, we determine those that were of most significance in the audit of the consolidated annual accounts of the current period and which are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

European Single Electronic Format

We have examined the digital files of Audax Renovables, S.A. and its subsidiaries for 2024 in European Single Electronic Format (ESEF), which comprise the XHTML file that includes the consolidated annual accounts for the aforementioned year and the XBRL files tagged by the Company, which will form part of the annual financial report.

The Directors of Audax Renovables, S.A. are responsible for the presentation of the 2024 annual financial report in accordance with the format and mark-up requirements stipulated in Commission Delegated Regulation (EU) 2019/815 of 17 December 2018 (hereinafter the "ESEF Regulation"). In this regard, they have incorporated the Annual Corporate Governance Report and the Annual Report on Directors' Remuneration by means of a reference thereto in the consolidated directors' report.

Our responsibility consists of examining the digital files prepared by the Directors of the Parent, in accordance with prevailing legislation regulating the audit of accounts in Spain. This legislation requires that we plan and perform our audit procedures to determine whether the content of the consolidated annual accounts included in the aforementioned digital files fully corresponds to the consolidated annual accounts we have audited, and whether the consolidated annual accounts and the aforementioned files have been formatted and marked up, in all material respects, in accordance with the requirements of the ESEF Regulation.

In our opinion, the digital files examined fully correspond to the audited consolidated annual accounts, and these are presented and marked up, in all material respects, in accordance with the requirements of the ESEF Regulation.

Additional Report to the Audit Committee of the Parent

The opinion expressed in this report is consistent with our additional report to the Parent's audit committee dated 27 February 2025.

(Translation from the original in Spanish. In the event of discrepancy, the Spanish-language version prevails.)

Contract Period

We were appointed as auditor of the Group by the shareholders at the ordinary general meeting on 30 June 2024 for a period of one year, from the year ended 31 December 2024.

Previously, we had been appointed for a period of one year, by consensus of the shareholders at their general meeting, and have been auditing the annual accounts since the year ended 31 December 2017.

Independent Auditor's Report on the Annual Accounts

(Translation from the original in Spanish. In the event of discrepancy, the Spanish-language version prevails.)

To the shareholders of Audax Renovables, S.A.

REPORT ON THE ANNUAL ACCOUNTS

Opinion

We have audited the annual accounts of Audax Renovables, S.A. (the "Company"), which comprise the balance sheet at 31 December 2024, and the income statement, statement of changes in equity and statement of cash flows for the year then ended, and notes.

In our opinion, the accompanying annual accounts give a true and fair view, in all material respects, of the equity and financial position of the Company at 31 December 2024, and of its financial performance and its cash flows for the year then ended in accordance with the applicable financial reporting framework (specified in note 2 to the annual accounts) and, in particular, with the accounting principles and criteria set forth therein.

Basis for Opinion

We conducted our audit in accordance with prevailing legislation regulating the audit of accounts in Spain. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Annual Accounts* section of our report.

We are independent of the Company in accordance with the ethical requirements, including those regarding independence, that are relevant to our audit of the annual accounts pursuant to the legislation regulating the audit of accounts in Spain. We have not provided any non-audit services, nor have any situations or circumstances arisen which, under the aforementioned regulations, have affected the required independence such that this has been compromised.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

N.I.F. B-78510153

(Translation from the original in Spanish. In the event of discrepancy, the Spanish-language version prevails.)

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in the audit of the annual accounts of the current period. These matters were addressed in the context of our audit of the annual accounts as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Recoverable amount of investments in and loans to Group companies and associates See notes 7 and 20 to the annual accounts	
Key audit matter	*How the matter was addressed in our audit*
At 31 December 2024 the Company has non-current investments in and loans to Group companies and associates amounting to Euros 566,498 thousand. The recoverable amount of investments in Group companies is calculated, in the case of companies showing indications of impairment, by applying valuation techniques which often require the exercising of judgement by the Directors and the use of assumptions and estimates. Due to the significance of the amount of investments in and loans to Group companies and associates, the aforementioned estimates have been considered a key audit matter.	Our audit procedures included the following: – evaluating the design and implementation of the key controls related to the valuation of investments in and loans to Group companies and associates. – evaluating the indications of impairment, as well as the methodology and assumptions used to estimate the recoverable amount of investees in which indications of impairment exist, – the involvement of our valuation specialists in the assessment of the reasonableness of the main assumptions used. – We also assessed whether the disclosures in the annual accounts meet the requirements of the financial reporting framework applicable to the Company.

(Translation from the original in Spanish. In the event of discrepancy, the Spanish-language version prevails.)

Recognition of revenue from unbilled energy supplied See notes 9 and 18 to the annual accounts	
Key audit matter	*How the matter was addressed in our audit*
The Company must make estimates of unbilled supplies to end customers in the period between the last meter reading and the end of the reporting period. In this regard trade and other receivables at 31 December 2024 include Euros 19,806 thousand. The amount of unbilled energy supplied is estimated based on internal and external information that is compared with the readings contained in the management systems used by the businesses. Revenue is calculated by multiplying the volume of estimated unbilled consumption, a process that is subject to a high degree of uncertainty, by the tariff agreed for each customer. Determining unbilled energy supplied requires the use of estimates by Company management with the application of criteria, judgements and assumptions in its calculations, so the recognition of revenue from unbilled energy supplied has been considered a key audit matter.	Our audit procedures included the following: – analysing the design and implementation of the key controls related to the calculation of the unbilled energy supplied, – retrospectively analysing of the estimates made at previous years' closes, – assessing the reasonableness of the volume of unbilled energy through an analysis of historical information and other internal and data, – evaluating whether the timing of the recognition is correct based on a selection of transactions after the reporting date. We also assessed whether the disclosures in the annual accounts meet the requirements of the financial reporting framework applicable to the Company.

Other Information: Directors' Report

Other information solely comprises the 2024 directors' report, the preparation of which is the responsibility of the Company's Directors and which does not form an integral part of the annual accounts.

Our audit opinion on the annual accounts does not encompass the directors' report. Our responsibility regarding the information contained in the directors' report is defined in the legislation regulating the audit of accounts, as follows:

a) Determine, solely, whether the non-financial information statement and certain information included in the Annual Corporate Governance Report and the Annual Report on Directors' Remuneration, as specified in the Spanish Audit Law, have been provided in the manner stipulated in the applicable legislation, and if not, to report on this matter.

b) Assess and report on the consistency of the rest of the information included in the directors' report with the annual accounts, based on knowledge of the entity obtained during the audit of the aforementioned annual accounts. Also, assess and report on whether the content and presentation of this part of the directors' report are in accordance with applicable legislation. If, based on the work we have performed, we conclude that there are material misstatements, we are required to report them.

(Translation from the original in Spanish. In the event of discrepancy, the Spanish-language version prevails.)

Based on the work carried out, as described above, we have observed that the information mentioned in section a) above has been provided in the manner stipulated in the applicable legislation, that the rest of the information contained in the directors' report is consistent with that disclosed in the annual accounts for 2024, and that the content and presentation of the report are in accordance with applicable legislation.

Directors' and Audit Committee's Responsibility for the Annual Accounts

The Directors are responsible for the preparation of the accompanying annual accounts in such a way that they give a true and fair view of the equity, financial position and financial performance of the Company in accordance with the financial reporting framework applicable to the entity in Spain, and for such internal control as they determine is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The audit committee is responsible for overseeing the preparation and presentation of the annual accounts.

Auditor's Responsibilities for the Audit of the Annual Accounts

Our objectives are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with prevailing legislation regulating the audit of accounts in Spain will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual accounts.

As part of an audit in accordance with prevailing legislation regulating the audit of accounts in Spain, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual accounts, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.

(Translation from the original in Spanish. In the event of discrepancy, the Spanish-language version prevails.)

- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual accounts, including the disclosures, and whether the annual accounts represent the underlying transactions and events in a manner that achieves a true and fair view.

We communicate with the audit committee of Audax Renovables, S.A. regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the entity's audit committee with a statement that we have complied with the ethical requirements regarding independence, and to communicate with them all matters that may reasonably be thought to bear on our independence, and where applicable, safeguarding measures adopted to eliminate or reduce the threat.

From the matters communicated to the audit committee of the entity, we determine those that were of most significance in the audit of the annual accounts of the current period and which are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

European Single Electronic Format

We have examined the digital file of Audax Renovables, S.A. for 2024 in European Single Electronic Format (ESEF) comprising an XHTML file with the annual accounts for the aforementioned year, which will form part of the annual financial report.

(Translation from the original in Spanish. In the event of discrepancy, the Spanish-language version prevails.)

The Directors of Audax Renovables, S.A. are responsible for the presentation of the 2024 annual financial report in accordance with the format requirements stipulated in Commission Delegated Regulation (EU) 2019/815 of 17 December 2018 (hereinafter the "ESEF Regulation"). In this regard, they have incorporated the Annual Corporate Governance Report and the Annual Report on Directors' Remuneration by means of a reference thereto in the directors' report.

Our responsibility consists of examining the digital file prepared by the Company's Directors, in accordance with prevailing legislation regulating the audit of accounts in Spain. This legislation requires that we plan and perform our audit procedures to determine whether the content of the annual accounts included in the aforementioned digital file fully corresponds to the annual accounts we have audited, and whether the annual accounts have been formatted, in all material respects, in accordance with the requirements of the ESEF Regulation.

In our opinion, the digital file examined fully corresponds to the audited annual accounts, and these are presented, in all material respects, in accordance with the requirements of the ESEF Regulation.

Additional Report to the Audit Committee

The opinion expressed in this report is consistent with our additional report to the Company's audit committee dated 27 February 2025.

Contract Period

We were appointed as auditor by the shareholders at the ordinary general meeting on 30 June 2024 for a period of one year, from the year ended 31 December 2024.

Previously, we had been appointed for a period of one year, by consensus of the shareholders at their general meeting, and have been auditing the annual accounts since the year ended 31 December 2017.
